SIGN UP TODAY!!

We know what the IRS is looking for. 99.9% of our applications get approved with NO QUESTIONS ASKED!

What will we need from you?

- Complete a few online forms to give us the information we need.
- Send us your articles of incorporation (if you are incorporated)
- Send us last year's balance sheet (or use our worksheet).
- Send us your profit and loss statement for up to five years (or use our worksheet).
- If your organization is a church, we will provide a list of a few extra items we will need.

How long is this process going to take?

We'd like to get your application done within a few weeks for existing organizations. Additional time may be required for state filings.

The IRS is currently taking 6 months to approve Form 1023 applications due to COVID staffing issues.

Why Choose Us?

- We have a 100% success rate and our fees are competitive. Attorney's may charge 3 to 5 times our fee and do less work.
- We've bundled state filings we know you will need. Our competitors may charge extra for this or not do them at all.
- We'll write your description of programs and prepare your budget. Our competitors may make you do this.
- You'll only sign, date and mail out state forms. Our competitors may make you fill-out federal and state forms and send it back to them to check your work and finalize.
